

ABAD

DOM BUENO

Mencia

DESCRIPTION

Intense and bright violet color. Flooded with floral and fruit aromas. The palate is fresh, alive, with an excellent balance, and a fleshy tannin that gives it great complexity.

VINEYARD

Production Area: Villafranca del Bierzo y Valtuille de Arriba.

Average Age: 35 Years.

Soil composition: Clayey presence of slates, quartzite and other minerals.

Altitude: 650 meters.

WINE MAKING

Pre-fermentation maceration at low temperatures to enhance primary flavours and fermented in stainless steel conical tanks at a controlled temperature for 15 days.

Total maceration period of 20 days.

CONSUMPTION

Recommended temperature between 13° and 15° C.
